

AEROMEDICAL SERVICES LTD FEES
VALID FROM 01st Jan 2017

NB with the closure of the Aeroemdcial Centre at Gatwick by UKCAA in Feb 2016, UKCAA AMEs are carrying out all case management activities and pilots are instructed in all cases to contact their AME regarding DECREASE IN FITNESS notifications.

There is no longer any formal list of CAA approved prices. Aeromedical Services Ltd has based this years prices on last years CAA approved prices plus an uplift to include all case management for Class 1 pilots. for Class 2 LAPL and CC medical certificate holders any case management will be charged on a per hour basis with a minimum charge of £50 for each separate episode of decreases in fitness.

NB for initial Class 2 applicants a *MED162 form completed by an optometrist is acceptable for initial medical purposes and will save £50 from the quoted price

*** extended eye form MED162 can be downloaded from the CAA website or via Aeroemdcial Services forms for download link**

NB with effect from 12th august 2016 all ECGs which need to be overread by a cardiologist will need to be read by a external cardiologist and will cost £40 per pilot in addition to the cost of the medical .
